

10TH GRADERS TALK: MENTAL HEALTH SUBSTANCE USE WELLNESS & MORE

- ★ What are youth saying about depression?
- ★ How many teens report using alcohol, cannabis, tobacco or prescription drugs?
- ★ How can your agency use this information?

Clark County 10th graders shared about mental health, wellness, substance use and more in the 2018 Healthy Youth Survey. Listen as Clark County Public Health presents what our teens shared. Open to the public, registration not required. Light refreshments provided.

WHO

Educators, Supportive Adults,
Youth-Serving Organizations
