SAFE YEAR-ROUND DISPOSAL OF SHARPS

FREE to Clark County, WA residents

WHAT ARE SHARPS?

hypodermic needles • syringes • scalpel blades • lancets • intravenous (IV) tubing with needles attached

TRANSPORTING SHARPS FOR SAFE DISPOSAL

Throwing loose or containerized sharps into your trash or recycling carts can hurt others who may come into contact with them, like the people who handle your garbage and recycling.

- ✓ Place the items into a designated sharps disposal container immediately following use.
- ✗ Never overfill or force materials into a sharps disposal container; no materials should be sticking out of the top.
- ✗ Do not place loose or containerized sharps into your trash container or recycling cart.

LABEL CONTAINERS:
WARNING SHARPS - DO NOT RECYCLE
