

# SECURE YOUR CANNABIS PROTECT YOUTH

- We display this Secure Your Cannabis checklist within view of our customers.
- We train all employees on responsible cannabis use before they engage in cannabis sales.
- We provide written information to all customers regarding responsible consumer behavior, potential hazards to youth and what to do in case of a cannabis-related health emergencies such as over-consumption.
- We offer and recommend at least one type of reasonably priced, locking container for cannabis storage to our customers.
- We display contact information for Washington Recovery Hotline (866.789.1511) at the point of sale.
- We do not sell cannabis to customers who are accompanied by children or youth.
- We do not sell cannabis products that appeal to children, such as candy and fruit-flavored items.
- We do not advertise to youth or promote our business on social media that engages youth or is frequented by youth.
- We voluntarily limit external signage and do not promote our business with sandwich boards, bill boards, or messaging that appeals to children/youth.
- We do not post signs promoting cannabis products on the outer walls or windows of our store visible to the public.

***As a responsible cannabis retailer, this business voluntarily exceeds current laws in order to safeguard the health and safety of children/youth.***

# WHAT IS THIS LIST?

The Secure Your Cannabis project was developed by a host of community partners, including seven substance misuse prevention coalitions and cannabis retailers alike. We felt it important to recognize cannabis retailers in our community who are committed to protecting young minds and voluntarily going the extra mile to do so.

We share this list with cannabis retailers who spread the message about safe cannabis storage, having open and honest conversations with young people and are otherwise committed to safeguarding youth and children.
